### It's About Time!

Control your time – control your life!

*Where did the time go?*

*I just ran out of time!*

*I didn't have time to ...*

Sound familiar? Time management is important in every aspect of life. For professionals, it's a critical skill!

In this workshop you will learn:

- Tips for increasing productivity
- Systems for getting control of time
- How to create time for what matters

Presenter Betsy Smith will show you her simple techniques for getting control of your time and your life.
